The most effective procedure to achieve this, is for the responsibility for resolution to remain as close to the source as is possible, it is with this uppermost in mind that the parties agree to strictly adhere to the dispute settlement procedure as follows:

- (a) Procedure relating to a grievance of an individual employee:
 - (i) The employee is required to notify the Company (in writing or otherwise) as to the substance of the grievance, request a meeting with the Company for bilateral discussions and state the remedy sought.
 - (ii) A grievance must initially be dealt with as close to its source as possible, with graduated steps for further discussions with resolution at higher levels of authority (where appropriate).
 - (iii) Reasonable time limits must be allowed for discussions at each level of authority.
 - (iv) If the dispute is not resolved in discussions, the Company must provide a response to the employee's grievance, including reasons for not implementing any proposed remedy.
 - (v) While this procedure is being followed, normal work must continue.
 - (vi) The employee may be represented by an industrial organisation of employees that is entitled to represent the employee's industrial interests.
 - (vii) In the absence of agreement, either party may refer the matter to the Australian Industrial Relations Commission for conciliation.
 - (viii) The Australian Industrial Relations Commission may only arbitrate a dispute in respect of this Agreement where the Company agrees.

The purpose of the Consultative Committee shall be to consult, develop, recommend and assist to implement strategies and measures designed to achieve the objectives outlined under Clause 4 of this Agreement.

13. Hours of Work

The parties agree that the current working arrangements for hours of work provisions (including, but not limited to, the daily maximum ordinary hours, work cycles and the taking of meal breaks and rest periods) may be altered during the life of the agreement following consultation and agreement between the company and the majority of affected site personnel so as to provide greater flexibility and to meet project and /or shift work or operational requirements. The criteria that will be used in assessing the desirability of proposed changes in hours of work will include the impact on efficiency operational and project requirements, productivity and quality of life.

The parameters for ordinary hours for the purpose of this agreement shall be an average of 36 hours per week and shall be between 6.00am and 6.00pm on any or all of the days Monday to Friday. The ordinary hours of work shall be worked continuously except for meal breaks. Different methods of implementation of the hours of work may be applied to various groups or sections of employees by agreement.

An employee's weekly ordinary hours of work can consist of both day work and shift work, provided that the appropriate shift allowance is paid for any shift in accordance with clause 21.6 of the Parent Award.

14. Rostered Days Off

The parties agree that the taking of the RDO's may be altered in order to improve productivity by exercising a more flexible arrangement in respect of the spreading of employees taking an RDO being distributed during the 20 day work cycle. This will enable the project to work productively on those days scheduled as industry RDO's.

However, it is recognised that there is merit in programming no work on RDO's adjacent to public holiday weekends during the working year. This will allow the management and employees of the company to have quality paid leisure time. As at the date of certification, work is prohibited on the weekends and agreed RDO's adjacent to Australia Day, Easter Friday, Easter Monday, Anzac Day, Queens Birthday, Labour Day and the Star Picnic Day. Employees may use new RDO accruals for payment of the applicable Saturdays.

The ordinary working hours shall be worked in a 20 day cycle, Monday to Friday inclusive, with 8 hours worked for each of 19 days with 0.8 of an hour on each of those days accruing for a paid RDO. This shall be taken as a paid day off. The 0.8 of an hour accrual also applies on paid leave. A RDO shall be taken as provided below:

- Agreement shall be reached by the company and employees as to which day shall be taken as a RDO when such an entitlement is due. It is agreed a company roster system may apply. However all employees with an RDO entitlement may use one (1) days accrual at ordinary time rates for the Saturday and industry agreed RDO's of the public holiday weekends stipulated in the Hours of Work clause above.
- RDO's may be banked at a maximum of 5 days in any 12-month period. These RDO's may be taken as a group of consecutive days or any other combination as may be suitable.
- Any dispute arising from this clause shall be resolved through the dispute settlement procedure.
- Where 1 (one) or more accrued RDO is to be taken, application for such time shall be sought giving a reasonable period of notice.
- A new employee will be eligible for an RDO after achieving 7.2 hours RDO accrual.
- Where there is an agreed emergency or a special client need and subject to the agreement of applicable employees, limited work may be carried out on the No Work weekends and

adjacent fixed RDO's unless impracticable. A company shall give reasonable notice of any such need for work so as to ensure appropriate consultation.

15. Wages

Wage rates for employees shall be as prescribed in Schedule A. These wage rates are effective from the dates specified in Schedule A.

These wage increases shall be in lieu of any other increases applicable to the Parent Award during the term of this Agreement except that should the Parent Award's all purpose hourly wages rates exceed the rates under this Award, employees shall be paid at the higher hourly rate.

The parties agree that apprenticeships and traineeships are now competency based and therefore require individual assessment on an ongoing basis. Progression through the apprenticeship must meet the necessary academic and workplace competency standards as determined by the employer and relevant authority.

Site/Project Allowances will be paid in addition to the productivity allowance where such an addition is either:

- i) Where such an allowance is required by a site condition specified at the time of tender. - ii) If the Contract between the Employer and the Head Contractor/Client does not contain provision for a site allowance, and after the contract is made the head contractor makes an agreement under which a site allowance is payable, then the head contractor should then agree in writing to reimburse the employer the full cost of the said allowance.

The productivity allowance will be absorbed into the hourly all-purpose fares and travel rates of pay under this agreement in increments over three years from the date of certification of this agreement as per schedule A.

17. No Disadvantage

No employee shall suffer a reduction in pay as a result of the making of this Agreement. The components used to determine if any financial disadvantage has occurred are wage rates, productivity allowance and excess fares and travel time only. Site allowance, superannuation, redundancy and top-up/24 hour employee insurance contributions will not form part of an employee's income. Further, this assessment will be based on an ordinary 36-hour working week and no overtime shall be taken into account.

18. Superannuation

The Company will pay superannuation contributions into either the NESS Superannuation Scheme, EISS or the C+BUS Superannuation Fund for each employee. It is hereby agreed that either of these superannuation funds will be the sole funds utilised under this Agreement. - iv) Where ever possible 'Australian Made' protective clothing will be issued.

22. Transfer of Labour

If a halt to productive work occurs which is not the fault or the responsibility of the Company, the parties agree that employees can be relocated to other unaffected areas to continue productive work or to other sites if work is available. Provided that employees will continue to be paid in accordance with this Agreement during such a temporary transfer.

Where the above steps are not possible, affected employees may be required to attend tool box meetings, work planning sessions or skills development activities, all of which will count as productive time for payment purposes.

25. Overtime Work

For an employee to be eligible for overtime work on Saturdays/Sundays, 36 hours of normal time must have been worked in the proceeding 5 working days. (ie. Monday to Friday inclusive).
